Your membership with CMS/SCM will provide you with technical information, advocacy, and professional networking opportunities. You will be able to exchange clinical information with other people in the field as well as participate in various conferences and lectures throughout the year. **As part of your membership you will receive the following benefits:**

- Reduced registration fees for CMS/SCM National Menopause Conference
- Exclusive access to the “member’s area” where you can download slides and videos
- Eligibility for CMS/SCM awards
- Access to reduced registration fee for IMS World Congress
- Access to “Menopause Live” from the IMS site
- Reduced membership fee to join European Menopause and Andropause Society
- Access to free registration for the IOF World Congress in Osteoporosis (limited to 20 participants per World Congress) and the IOF Regional Congress (limited to 2 participants per regional congress) (first come first serve)
- Free printed material as featured on our website (limited quantity), see the list on next page for details
